

Procedure for Installing or Building a Storage Shed

- 1. Make sure your storage shed meets City zoning requirements:**
 - a. Storage sheds are not allowed in front yards, only in side and rear yards
 - b. Corner lots have two front yards, two side yards and no rear yards
 - c. Storage sheds must be at least 5' from the side and rear property lines
 - d. Storage sheds must be at least 10' from house
 - e. Sheds cannot exceed 200 square feet in size or over 17' tall
 - f. A property may only have one storage shed
 - g. Sheds cannot be located in an easement

- 2. Contact the City for a building permit application and complete it.**

- 3. Submit the following materials to the city:**
 - a. Complete application
 - b. A site plan showing where the shed will be located on the property (can use aerial from city)
 - c. A plan and picture of the shed
 - d. Permit fee of \$50 (checks made payable to the City of Monticello)

- 4. Locate your property pins, mark pins and location of shed.** If pins cannot be located the city reserves the right to require a survey to locate/set pins.

- 5. Request a J.U.L.I.E. utility locate (1.800.892.0123 or www.illinois1call.com) at least 48 hours prior to starting work.**

- 6. Build a shed.**

Note:

- * The city has information on the easements in the newer subdivisions. If the city does not have easement information on your property, it is the responsibility of the property owner to obtain that information from the county recorder's office or abstract company. If a shed is located in an easement, the shed may be moved and/or destroyed in the course of work within the easement. The property owner will not be compensated for any damage.
- * An aerial photograph of your property is available from the City.
- * Your permit is good for 6 months from the date of issue.
- * The City of Monticello follows building codes: International Residential Code (IRC) 2003, National Electrical Code (NEC) 2005, Illinois State Plumbing Code 2004.
