

# MONTICELLO ILLINOIS

## COURTHOUSE SQUARE

*W*elcome to Historic Monticello, Illinois—established in 1837. We'd love for you to spend a day or more exploring all that we have to offer. Visit **Allerton Park**, a beautiful, 1500-acre nature area with formal gardens, trails, and forests—named one of the **7 Wonders of Illinois**. Enjoy the exhibits at the **Monticello Railway Museum** and then hop on the train to downtown **Courthouse Square**, which features some of central Illinois's most notable, award-winning shops, galleries, and restaurants. **Looking for Lincoln?** We have three Lincoln Story Trail exhibits in Monticello and three more at **Bryant Cottage in Bement**. Stroll back in time along **State & Charter Streets**, National Historic Districts featuring mansions and homes with outstanding architecture from days past. **Lodge Park**, just north of Monticello, offers camping and picnic sites along the famous **Sangamon River**, often traveled by **Abraham Lincoln**. We hope you enjoy your time here and return soon with your family and friends!
