BACKGROUND:

On August 12, 2019, the City of Monticello City Council approved the Monticello Business District by adoption of Ordinance 2019-40. Part of the program allowed for the creation of the Building Improvement Grant Program (a combination and amendment of the former façade improvement and downtown life safety grant programs), and funding was approved in the City’s fiscal year 2023 budget. The goal of the Building Improvement Grant program is to assist with public/private redevelopment efforts, using public funds to reimburse business/building owners upon completion of approved private development improvements.

The City invited applications for the Fall, 2023 program between June 1st and 15th of 2023. Twelve completed applications were received for consideration during this round of programming. Details of the application and proposed improvements are included as exhibits to the Redevelopment Agreement.
