## INDEPENDENT AUDITORS' REPORT

The Honorable Mayor and  
Members of the City Council  
City of Monticello, Illinois

### Qualified Opinions

We have audited the accompanying modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Monticello, Illinois (the City), as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinions section of our report, the financial statements referred to above present fairly, in all material respects, the respective modified cash basis financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of City of Monticello, Illinois, as of December 31, 2024, and the respective changes in modified cash basis financial position and, where applicable, cash flows thereof for the year then ended in accordance with the modified cash basis of accounting as described in Note 1.

### Basis for Qualified Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the City, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinions.

### *Matter Giving Rise to Qualified Opinions*

The City's financial statements do not disclose Governmental Accounting Standards Board Statement 45, Accounting and Financial Reporting for Post-Employment Benefit Other than Pensions. The amount by which this departure would affect the financial statements has not been determined.

### Emphasis of Matter-Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 1, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the City's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City's basic financial statements. The schedules presented in the other supplementary information section as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated July 8, 2025, on our consideration of City of Monticello, Illinois' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the City of Monticello, Illinois' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Monticello, Illinois' internal control over financial reporting and compliance.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND  
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS  
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**The Honorable Mayor and  
Members of the City Council  
City of Monticello, Illinois**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the modified cash basis financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the City of Monticello, Illinois, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the City's basic financial statements and have issued our report thereon dated July 8, 2025. Our report was modified for the effects of not disclosing all required elements related to a post-employment benefit other than pensions.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the City of Monticello, Illinois' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City of Monticello, Illinois' internal control. Accordingly, we do not express an opinion on the effectiveness of the City of Monticello, Illinois' internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and responses that we consider to be a material weakness (2024-001).

### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the City of Monticello, Illinois' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### City of Monticello, Illinois' Response to Findings

The City of Monticello, Illinois' response to the finding identified in our audit is described in the accompanying schedule of findings and responses. The City of Monticello, Illinois' response was not subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we express no opinion on it.

### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**CITY OF MONTICELLO, ILLINOIS**

**SCHEDULE OF FINDINGS AND RESPONSES**

**December 31, 2024**

---

**Material Weakness**

***2024-001 Financial Reporting***

Criteria: Management is responsible for establishing and maintaining adequate internal control over financial reporting, including controls over the ability of management to select and apply appropriate accounting principles to prepare financial statements and related footnote disclosures in conformity with the modified cash basis of accounting.

Condition: During the review of the financial reporting process, we noted that neither management nor the accounting personnel have the expertise to select and apply appropriate accounting principles or to prepare financial statements with appropriate footnotes in accordance with the modified cash basis of accounting.

Cause: The responsibility for financial reporting rests entirely with the City and not the auditor. In other words, if the City is not able to issue, without the auditors' involvement, complete financial statements with notes, in accordance with the modified cash basis of accounting, and free of material misstatement, that inability is a symptom of material deficiencies in internal control.

Effect: Without adequate financial reporting expertise, errors and omissions could occur in the financial statements and not be detected by management.

Recommendation: We recommend that management assess the financial reporting process and consider implementing additional reporting functions. Additionally, we recommend that the City consider including persons knowledgeable about financial statements and reporting requirements on its Council.

City's Response: There is no disagreement with the audit finding. The City is aware of the need for the expertise necessary to prepare a complete set of financial statement and the related disclosures. Management will continue to monitor the internal controls over financial reporting as well as the cost/benefit relationship with these issues.

**RECONCILIATION OF THE STATEMENT OF REVENUES RECEIVED,  
EXPENDITURES DISBURSED AND CHANGES IN FUND BALANCES -  
MODIFIED CASH BASIS - GOVERNMENTAL FUNDS WITH THE STATEMENT  
OF ACTIVITIES - MODIFIED CASH BASIS - GOVERNMENTAL ACTIVITIES  
For the year ended December 31, 2024**

---

Net change in fund balances - governmental funds \$ 3,937,763

Amounts reported for governmental activities in the Statement of Activities differs from the amounts reported in the Statement of Revenues Received, Expenditures Disbursed and Changes in Fund Balances because:

Governmental funds report capital outlays as expenditures. However, in the Statement of Activities, the cost of those assets is allocated over their useful lives as depreciation expense or are allocated to the appropriate functional expense when the cost is below the capitalization threshold. This activity is reconciled as follows:

Cost of assets capitalized	2,661,261
Depreciation expense	(527,756)

(Proceeds from) repayments of financing are a (revenue) expenditure in the governmental funds, but the proceeds increase and repayments reduce long-term liabilities in the Statement of Net Position. Also, governmental funds report the effect of issuance costs, premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the Statement of Activities:

Proceeds from long-term debt	(4,535,000)
Bond issue premiums received	(369,619)
Principal payments on long-term debt	756,345
Amortization of bond premium	59,581

Change in net position of governmental activities \$ 1,982,575

## CITY OF MONTICELLO, ILLINOIS

### NOTES TO FINANCIAL STATEMENTS

December 31, 2024

---

#### Note 1 - Summary of Significant Accounting Policies

**Reporting Entity:** The City of Monticello (City) is the basic level of government which has financial accountability and control over all municipal activities related to the operations of the City of Monticello, Piatt County, Illinois. The City receives funding from local and state sources and must comply with the requirements of these funding sources. The City is not included in any other governmental “reporting entity” as defined by GASB, as the Mayor and Council members are elected by the public and have decision making authority, the authority to levy taxes, the power to designate management, the ability to significantly influence operations and primary accountability for fiscal matters.

**Principles Used to Determine the Scope of the Reporting Entity:** The City of Monticello has developed criteria used in determining whether a governmental unit should be a part of its reporting entity. The criteria include, but are not limited to, whether the City exercises oversight responsibility (which includes financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters), the scope of public service and special financial relationships.

Based on the above criteria, all governmental components associated with the City of Monticello are included herein.

**Basis of Presentation:** The City’s basic financial statements consist of government-wide financial statements, including a statement of net position and a statement of activities, and fund financial statements which provide a more detailed level of financial information.

Government-wide Financial Statements: The statement of net position presents the financial condition of the governmental and business-type activities of the City at year end. The statement of activities presents a comparison between direct expenses and program revenues for each program or function of the City's governmental and business-type activities. Direct expenses are those that are specifically associated with a service, program, or department and, therefore, clearly identifiable to a particular function. Program revenues include charges paid by the recipient of the goods or services offered by the program. Revenues that are not classified as program revenues are presented as general revenues of the City, with certain limited exceptions. The comparison of direct expenses with program revenues identifies the extent to which each governmental program is self-financing or draws from the general revenues of the City.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. However, interfund services provided and used are not eliminated in the process of consolidation.

Fund Financial Statements: During the year, the City segregates transactions related to certain functions or activities in separate funds in order to aid financial management and to demonstrate legal compliance. Fund financial statements are designed to present financial information at this more detailed level. Separate financial statements are provided for governmental funds, proprietary funds and fiduciary funds, even though the latter are excluded from the government-wide financial statements. The focus of governmental financial statements is on major funds. Each major fund is presented in a separate column.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**

**December 31, 2024**

---

**Note 1 - Summary of Significant Accounting Policies, continued**

**Fund Accounting:** The accounts of the City are organized on the basis of funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance, cash receipts and disbursements. City resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

The various funds are grouped, in the financial statements in this report, into fund categories as follows:

Governmental Funds: Governmental funds are those through which most governmental functions are financed. Governmental fund reporting focuses on the sources, uses, and balances of current financial resources. Expendable assets are assigned to the various governmental funds according to the purpose for which they may or must be used. Current liabilities are assigned to the fund from which they will be paid. The difference between governmental fund assets and liabilities is reported as fund balance. The following are the City's major governmental funds:

General Fund - The General Fund is the general operating fund. It is used to account for all financial resources except those required to be accounted for in other funds.

Tax Increment Financing Fund - The Tax Increment Financing Fund is used to account for the receipt of property taxes allocated to tax increment financing districts that are restricted for specific purposes by law.

Motor Fuel Tax Fund - The Motor Fuel Tax Fund is used to account for the proceeds of specific revenue sources (other than special assessments, fiduciary, or major capital projects) that are legally restricted to expenses for the purpose of street maintenance and improvement.

Working Cash Fund - The Working Cash Fund is used to account for financial resources held by the City to be used for ordinary and necessary expenditures for all general and specific corporate purposes, including to provide financing for the acquisition, construction and installation of public improvements and infrastructure, and related facilities and costs.

Business District Tax Fund - The Business District Tax Fund is used to account for receipt of 1% business district taxes that are restricted to expenses for the purpose of paying or reimbursing business district project costs.

Proprietary Funds: The Waterworks, Water Escrow and Sewerage Operation and Maintenance Plant Funds are used to account for operations that are financed and operated in a manner similar to private business enterprises - where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**

**December 31, 2024**

---

**Note 1 - Summary of Significant Accounting Policies, continued**

**Fund Accounting, continued:**

Fiduciary Funds: Fiduciary funds are used to account for assets held by the City as a trustee for individuals, private organizations and/or other governmental units. The City reports the following fiduciary fund:

Police Pension Fund - The Police Pension Fund accumulates resources to provide pension benefit to qualified City employees.

**Measurement Focus:**

Government-wide Financial Statements: The government-wide financial statements are prepared using a flow of economic resources measurement focus, within the limitations of the modified cash basis of accounting, as defined below.

Fund Financial Statements: All governmental funds are accounted for using a flow of current financial resources measurement focus, as applied to the modified cash basis of accounting. With this measurement focus, only current assets and current liabilities are generally included on the statement of assets, liabilities and fund balances. The statement of revenues received, expenditures disbursed, and changes in fund balance reflects the sources (i.e., revenues and other financing sources) and uses (i.e., expenditures and other financing uses) of current financial resources. These funds use fund balance as their measure of available spendable financial resources at the end of the period.

The proprietary funds utilize an “economic resources” measurement focus, as applied to the modified cash basis of accounting. The accounting objectives of this measurement focus are the determination of operating income, changes in net position (or cost recovery), financial position, and cash flows. All assets and liabilities (whether current or noncurrent, financial, or nonfinancial) associated with their activities are reported. Proprietary fund equity is classified as net position.

This approach differs from the manner in which the governmental activities of the government-wide financial statements are prepared. Governmental fund financial statements, therefore, include a reconciliation with brief explanations to better identify the relationship between the government-wide statements and the fund financial statements for governmental funds.

Basis of Accounting: In the government-wide Statement of Net Position and the Statement of Activities and the fund financial statements, governmental and business-type activities are presented using a modified cash basis of accounting. This basis recognizes assets, liabilities, net position/fund equity, revenues, and expenses when they result from cash transactions with a provision for depreciation in the government-wide statements and proprietary fund statements. This basis is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

As a result of the use of this modified cash basis of accounting, certain assets and their related revenues (such as accounts receivable and revenue for billed or provided services not yet collected) and certain liabilities and their related expenses (such as accounts payable and expenses for goods or services received but not yet paid, and accrued expenses and liabilities) are not recorded in these financial statements.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

---

**Note 1 - Summary of Significant Accounting Policies, continued**

**Budgets and Budgetary Accounting:** The City follows these procedures in establishing its budgetary data:

1. City budget officer submits a tentative City budget to the City Council. Open Committee Meeting discussions are held on the annual budget.
2. The Council typically approves the City budget before the beginning of the fiscal year.
3. The Appropriation Ordinance is based on the annual budget. A notice of public hearing for the Appropriation Ordinance is published not less than 10 days prior to such hearing, and a copy of the tentative appropriation ordinance is made available for public inspection. Public hearing is conducted to obtain taxpayer comments.
4. The City certificates of levy are filed with the County Clerk on or before the second Tuesday in December.
5. Budgets for the General Fund, Waterworks Fund, Sanitation Fund, Tax Increment Fund and Motor Fuel Tax Fund are adopted consistently on the cash basis which is not in accordance with U.S. generally accepted accounting principles (GAAP). No budgets were prepared for the Working Cash Fund and Water Escrow Fund this year.
6. The City approved its budget for the year ended December 31, 2024 on December 11, 2023. It was later amended.

**Cash and Cash Equivalents:** For purposes of the statement of cash flows - modified cash basis for proprietary funds, the City considers all highly liquid investments with maturities of three months or less when purchased to be cash equivalents.

	Waterworks Fund	Water Escrow Fund	Sewerage Operation and Maintenance Plant Fund
Statement of Net Position -			
Modified Cash Basis amounts:			
Cash	\$ 375,913	19,054	1,481,438
Investments (money market accounts)	31,209	18,042	489,731
Cash and cash equivalents	\$ 407,122	37,096	1,971,169

**Investments:** Investments consist of money market accounts and certificates of deposit with maturities of three months or more and are stated at cost, without provision for accrued interest.

CITY OF MONTICELLO, ILLINOIS

NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2024

---

**Note 1 - Summary of Significant Accounting Policies, continued**

**Capital Assets:** General capital assets are capital assets which are associated with and generally arise from governmental activities and result from expenditures in governmental funds. General capital assets are reported in the governmental activities column of the government-wide statement of net position but are not reported in the fund financial statements.

Capital assets purchased or acquired with an original cost of \$ 25,000 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at their fair market value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred.

The City, which qualifies as a phase 3 government under GASB Statement No. 34, elected not to retroactively report infrastructure assets. However, any infrastructure assets acquired or constructed after July 1, 2003 with an original cost of \$ 100,000 or more will be capitalized.

All capital assets are depreciated, except for land and construction in process. Improvements are depreciated over the remaining useful lives of the related capital assets. Depreciation is computed using the straight-line method over the following useful lives:

<u>Description</u>	<u>Estimated Lives</u>
Land improvements	20 years
Buildings	30 - 50 years
Machinery and equipment	5 - 15 years
Infrastructure	50 years

**Accumulated Unpaid Vacation, Sick-pay, and Other Employee Benefit Amounts:** Accumulated unpaid vacation, sick-pay, and other employee benefit amounts are recognized when the checks are written, in accordance with the modified cash basis of accounting. The total unpaid vacation pay, sick-pay, personal leave, and comp time accumulated at December 31, 2024, was \$ 173, \$ 57,433, \$ 1,789, and \$ 10,907, respectively.

**Deferred Outflows/Inflows of Resources:** In addition to assets, statements of net position include a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The City does not have any of this type of item.

In addition to liabilities, statements of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The City does not have any of this type of item.

## CITY OF MONTICELLO, ILLINOIS

### NOTES TO FINANCIAL STATEMENTS (Continued) December 31, 2024

---

#### Note 1 - Summary of Significant Accounting Policies, continued

**Risk Management:** The City is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters.

The City joined other governmental units and became a member of the Illinois Municipal League Risk Management Association (IMLRMA), a public entity risk pool currently operating as a common risk management and insurance program for member governmental units. The City pays an annual premium to IMLRMA for its general insurance coverage.

IMLRMA is self-sustaining through member premiums and will reinsure through commercial companies for claims in excess of \$ 8,000,000 for each insured event. Management believes such coverage is sufficient to preclude any significant uninsured losses to the City. Settled claims have not exceeded this commercial coverage in any of the past three fiscal years.

**Use of Estimates:** Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Net Position:** Net position is classified into three components - (1) net investment in capital assets, (2) restricted, and (3) unrestricted. These classifications are defined as follows:

- Net investment in capital assets - This category groups all capital assets, including infrastructure, into one component of net position. Accumulated depreciation and the outstanding balances of debt that are attributable to the acquisition, construction or improvement of these assets reduce the balance of this category.
- Restricted net position - This category presents external restrictions imposed by creditors, grantors, contributors or laws or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.
- Unrestricted net position - This category represents net position of the entity, not restricted for any project or other purpose.
  - In 2007, the City council approved a motion setting aside funds within the Sewerage Operation and Maintenance Plant Fund for future capital expenditures. It also committed all interest earned on these amounts. As of December 31, 2024, the balance of these designated funds was \$ 531,924.

When both restricted and unrestricted net positions are available, unrestricted resources are used only after the restricted resources are depleted.

## CITY OF MONTICELLO, ILLINOIS

### NOTES TO FINANCIAL STATEMENTS (Continued)

December 31, 2024

---

#### Note 1 - Summary of Significant Accounting Policies, continued

**Fund Equity:** Beginning with fiscal year 2012, the City implemented GASB Statement No, 54, "Fund Balance Reporting and Governmental Fund Type Definitions." The following classifications describe the relative nature, extent and strength of the spending constraints placed on the City's fund balances:

- Nonspendable fund balance - amounts that are in nonspendable form (such as inventory) or are required to be maintained intact (such as perpetual trusts).
- Restricted fund balance - amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government) through constitutional provisions or by enabling legislation.
- Committed fund balance - amounts constrained to specific purposes by the City itself, using its highest level of decision-making authority (i.e., City Council). To be reported as committed, amounts cannot be used for any other purpose unless the City takes the same highest level action to remove or change the constraint.
- Assigned fund balance - amounts the City intends to use for a specific purpose. Intent can be expressed by the City Council or by an official or body to which the City Council delegates the authority.
- Unassigned fund balance - amounts that are available for any purpose. Positive amounts are reported only in the general fund.

The City Council establishes (and modifies or rescinds) fund balance commitments by passage of an ordinance or resolution. This is typically done through adoption and amendment of the budget. A fund balance commitment is further indicated in the budget document as a designation or commitment of the fund (such as for special incentives). Assigned fund balance is established by City Council through adoption or amendment of the budget as intended for specific purpose (such as the purchase of fixed assets, construction, debt service or for other purposes).

The City would typically use Restricted fund balances first, followed by Committed resources, and then Assigned resources, as appropriate opportunities arise, but reserves the right to selectively spend Unassigned resources first to defer the use of these other classified funds.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

---

**Note 2 - Property Tax Rates**

The City's property tax is levied each year on all taxable real property located in the City on or before the last Tuesday in December. The 2024 tax levy was passed by the Board on December 11, 2023. Property taxes attach as an enforceable lien on property as of January 1 and are payable in two installments on June 1 and September 1. The City receives significant distributions of tax receipts approximately one month after these due dates. These financial statements include property tax revenues collected from the 2023 tax levies.

The following are the tax rates applicable to the various levies per \$ 100.00 of assessed valuation (2023 - \$ 163,880,625; 2022 - \$ 149,914,642):

	<b>Maximum</b>	<b>Actual</b>	
	<b>2023</b>	<b>2023</b>	<b>2022</b>
	<b>Levy</b>	<b>Levy</b>	<b>Levy</b>
General Corporate	<b>0.25000</b>	<b>0.21222</b>	0.22273
IMRF		<b>0.06295</b>	0.06497
Police Protection	<b>0.15000</b>	<b>0.11427</b>	0.11794
Insurance		<b>0.07817</b>	0.08068
Bond and Interest		<b>0.16417</b>	0.16042
Social Security		<b>0.04426</b>	0.04568
Police Pension		<b>0.07869</b>	0.07753
Total		<b>0.75473</b>	0.76995

**Note 3 - Custodial Credit Risk - Deposits**

Custodial credit risk is the risk that in the event of a bank failure, the government's deposits may not be returned to it. The City does not have a deposit policy for custodial credit risk. As of December 31, 2024, \$ 21,313,505 of the City's bank balance of \$ 21,313,505, was covered by FDIC insurance or collateralized by securities held by the pledging financial institution, and \$ -0- was exposed to custodial credit risk by being uninsured and uncollateralized.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

**Note 4 - Capital Assets**

Capital asset activities for the year ended December 31, 2024, were as follows:

	Governmental Activities			Ending Balance
	Beginning Balance	Additions	Deletions	
Nondepreciable assets:				
Land	\$ 2,129,528			2,129,528
Construction in process	472,098	1,647,638		2,119,736
<b>Total</b>	<b>2,601,626</b>	<b>1,647,638</b>		<b>4,249,264</b>

**Note 4 - Capital Assets, continued**

Depreciation expense for the year ended December 31, 2024 was charged to the following:

Governmental activities:	
City administration	\$ 47,300
Public safety	98,814
Public works	253,985
Parks and recreation	127,656
Business-type activities:	
Water fund	45,081
Sewer fund	<u>345,895</u>
 Total depreciation expense	 <u>\$ 918,731</u>

**Note 5 - Pension Plan**

**IMRF Plan Description:** The City of Monticello, Illinois’ defined benefit pension plan for regular employees provides retirement and disability benefits, post-retirement increases, and death benefits to plan members and their beneficiaries. The City of Monticello, Illinois’ plan is managed by the Illinois Municipal Retirement Fund (IMRF), the administrator of a multi-employer public pension fund. A summary of IMRF’s pension benefits is provided in the “Benefits Provided” section of this note. Details of all benefits are available from IMRF. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available Annual Comprehensive Financial Report that includes financial statements, detailed information about the pension plan’s fiduciary net position, and required supplementary information. The report is available for download at [www.imrf.org](http://www.imrf.org).

**Benefits Provided:** IMRF has three benefit plans. The vast majority of IMRF members participate in the Regular Plan (RP). The Sheriff’s Law Enforcement Personnel (SLEP) plan is for sheriffs, deputy sheriffs, and selected police chiefs. Counties could adopt the Elected County Official (ECO) plan for officials elected prior to August 8, 2011 (the ECO plan was closed to new participants after that date).

All three IMRF benefit plans have two tiers. Employees hired *before* January 1, 2011, are eligible for Tier 1 benefits. Tier 1 employees are vested for pension benefits when they have at least eight years of qualifying service credit. Tier 1 employees who retire at age 55 (at reduced benefits) or after age 60 (at full benefits) with eight years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any consecutive 48 months within the last 10 years of service, divided by 48. Under Tier 1, the pension is increased by 3% of the original amount on January 1 every year after retirement.

CITY OF MONTICELLO, ILLINOIS

NOTES TO FINANCIAL STATEMENTS (Continued)  
December 31, 2024

---

**Note 5 - Pension Plan, continued**

**Benefits Provided, continued:** Employees hired *on or after* January 1, 2011, are eligible for Tier 2 benefits. For Tier 2 employees, pension benefits vest after ten years of service. Participating employees who retire at age 62 (at reduced benefits) or after age 67 (at full benefits) with ten years of service are entitled to an annual retirement benefit, payable monthly for life, in an amount equal to 1-2/3% of the final rate of earnings for the first 15 years of service credit, plus 2% for each year of service credit after 15 years to a maximum of 75% of their final rate of earnings. Final rate of earnings is the highest total earnings during any 96 consecutive months within the last 10 years of service, divided by 96. Under Tier 2, the pension is increased on January 1 every year after retirement, upon reaching age 67, by the *lesser* of:

- 3% of the original pension amount, or
- ½ of the increase in the Consumer Price Index of the original pension amounts.

**Contributions:** As set by statute, the City’s Regular and SLEP plan members are required to contribute 4.50% and 7.50%, respectively, of their annual covered salary. The statutes require employers to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The City’s annual contribution rate for calendar year 2024 for Regular and SLEP was 5.06% and 12.48%, respectively. The City also contributes for disability benefits, death benefits and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by statute.

**Pension Contributions Made:** For the year ended December 31, 2024, the City made pension contributions of \$ 84,345 and \$ 10,926, respectively, for the Regular and SLEP plans.

**Employees Covered by Benefit Terms:** As of December 31, 2024, the following employees were covered by the benefit terms:

	Regular	SLEP
Retirees and beneficiaries	42	1
Inactive, non-retired members	8	
Active members	25	1
Total members	75	2

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

---

**Note 5 - Pension Plan, continued**

**Net Pension Liability:** The City’s net pension liability was measured as of December 31, 2024. The total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date. The net pension liabilities for Regular and SLEP at December 31, 2024 are as follows:

	<u>Regular</u>	<u>SLEP</u>
Total pension liability	\$ 12,046,371	395,462
Plan fiduciary net position	<u>11,655,627</u>	<u>407,673</u>
Net pension liability (asset)	<u>\$ 390,744</u>	<u>(12,211)</u>
Percent funded	<u>96.76%</u>	<u>103.09%</u>

**Note 6 - Police Pension Fund**

The City of Monticello created and established a police pension fund by ordinance on April 12, 1999, in accordance with Article 3 of the Illinois Pension Code for the purpose of providing pension benefits to all full-time police officers entitled to participate in the benefits of the pension fund, as provided by Article 3 of the Illinois Pension Code and the Board of Trustees of the Pension Fund.

Subsequent to year end, actuaries perform actuarial calculations on the fund and compute the amount the City is to provide to fund this pension fund for the next year. The amount provided to fund this pension fund includes the employer’s portion of the normal cost, and the amount necessary to amortize the unfunded accrued liabilities over a specified number of years. The results, actuarial assumptions and other pertinent disclosure information have been provided to the City of Monticello as of the report date for the year ended December 31, 2023. (The 2024 report is not yet available.) The employee contributions to the fund were 9.91% of the police officer’s salary.

Funds for the City of Monticello Police Pension Fund have been invested in money market accounts and a NOW checking account at First State Bank and Central Illinois Bank summarized as follows as of December 31, 2024:

Money market accounts	\$ 2,521,640
NOW account	<u>8,277</u>
Total	<u>\$ 2,529,917</u>

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

---

**Note 6 - Police Pension Fund, continued**

The results, actuarial assumptions and other pertinent disclosure information provided by the State of Illinois Department of Insurance for the year ended December 31, 2023 has been received and is as follows:

Actuarial value of assets	\$ 2,554,775
Accrued liability	<u>3,414,134</u>
Unfunded actuarial accrued liability	<u>\$ 859,359</u>
Percent funded	<u>74.8%</u>

Based on the 2023 actuarial figures, the actuarially-determined employer contribution the City should have made for 2024 to arrive at the annual requirements of the fund as prescribed by Section 3-125 of the Illinois Pension Code was \$ 144,050. For 2024, total City contributions were \$ 261,795.

**Note 7 - Contingencies**

The City has pending litigation arising in the ordinary course of its operations. The City and its attorney believe that the ultimate liability, if any, in connection with these matters will not have a material effect on the City’s financial condition or results of operations. In addition, certain matters may fall under the City’s risk management coverage (see Note 1).

**Note 8 - Long-Term Liabilities**

A summary of long-term liability activity for the year ended December 31, 2024 is as follows:

	Beginning Balance	Additions	Reductions	Ending Balance	Due Within One Year
Governmental activities:					
General obligation debt certificates, 2020	\$ 604,200		102,300	501,900	103,200

**Governmental Activities:**

GENERAL OBLIGATION DEBT

During the 2020 fiscal year, the City refinanced its Series 2010 and Series 2009 debt certificates in order to lower interest rates. The refinance took place on November 2, 2020 by issuing \$ 1,013,300 of Series 2020 General Obligation (Limited Tax) Refunding Debt Certificates.

Interest payments on the Series 2020 debt certificates began on May 1, 2021, and the principal payments began on November 1, 2021. The debt certificates mature on November 1, 2029. Interest rates payable on the debt certificates range from 0.60% to 1.40%.

During 2024, the City issued \$ 745,000 of general obligation bonds, Series 2024, the proceeds of which were used to help finance street repairs and construction.

Principal and interest payments on the Series 2024 bonds began on December 1, 2024. The bonds mature on December 1, 2026. The interest rate payable on the bonds is 5.00%.

During 2024, the City issued \$ 3,790,000 of general obligation debt certificates, Series 2024, in order to lower interest rates.

Principal and interest payments on the Series 2024 debt certificates began on December 1, 2024. The debt certificates mature on December 1, 2030. The interest rate payable on the debt certificates is 5.00%.

NOTES PAYABLE

On April 23, 2015, the City entered into a note payable with First Mid-Illinois Bank & Trust for the purchase of a fire truck. The note is payable in annual installments of \$ 75,605, including interest at 3.375%, due April 23, 2025. The note is unsecured.

On January 29, 2018, the City entered into a note payable with First Mid-Illinois Bank & Trust for a building addition. The note is payable in annual installments ranging from \$ 60,158 to \$ 60,443, including interest at 2.99%, due January 15, 2028. The note is unsecured.

On February 25, 2021, the City entered into a note payable with First State Bank for the purchase of equipment. The note is payable in annual installments of \$ 57,700, including interest at 2.25%, due February 25, 2026. The note is unsecured.

**Business-Type Activities:**

REVENUE BONDS

In December 2016, the City issued \$ 9,000,000 of Series 2016A and \$ 5,285,000 of Series 2016B wastewater system revenue bonds (WWTP Bonds) through the U.S. Department of Agriculture - Rural Development, the proceeds of which were used to finance the construction of a new wastewater treatment plant.

Interest payments on these bonds began when the City began taking construction draws. Interest payments made in 2018 and prior were capitalized into project costs. In 2019, the City began making annual principal payments and semi-annual interest payments that were charged to expense. Both bond series mature on May 1, 2056. The interest rate on both bond series is 1.875%.

Debt service on these revenue bonds are payable solely through the net revenue of the activities of the Sewer Fund.

**CITY OF MONTICELLO, ILLINOIS**

**NOTES TO FINANCIAL STATEMENTS (Continued)**  
**December 31, 2024**

---

**Note 9 - Required Individual Fund Disclosures, continued**

The \$ 6,000 interfund amounts represent the initial \$ 1,000 deposit made to open the City’s accounts payable checking account during the 2007 fiscal year, plus a \$ 5,000 deposit made for the HRA during fiscal year 2012. The \$ 142,347 amounts represent expenses paid by the Working Cash Fund on behalf of the Sewerage Fund for engineering and planning costs for a new Waste Water Treatment Plant. The \$ 200,000 is costs related to a 2017 advance of \$ 200,000 from the General Fund to the Sewerage Fund.

Balances due among the governmental activities are eliminated on the government-wide Statement of Net Position. Balances due to the enterprise funds from the governmental activities are reported on the Statement of Net Position as internal balances.

Transfers of resources from a fund receiving revenue to the fund through which the resources are to be expended are recorded as transfers and are reported as other financing sources (uses) in the governmental funds and as transfers in (out) in the proprietary funds. The following is a summary of interfund transfers for the year ended December 31, 2024.

	<u>Transfers In</u>	<u>Transfers Out</u>
General Fund	\$	5,432
Motor Fuel Tax Fund	13,432	
Waterworks Fund		4,000
Sewerage Fund		4,000
	<u>\$ 13,432</u>	<u>13,432</u>

**Note 10 - Fund Balances**

Committed Fund Balance: In 2007, the City Council approved a motion committing funds for future capital expenditures. It also committed all interest earned on these amounts. During the 2013-14 reporting period, the City Council approved committing video gaming revenue to support Habitat for Humanity and parks and playground repair, maintenance and replacement. They also approved committing \$ 100,000 of general funds per year from 2014 to 2017 for future recreation grants and later changed that to the Oberheim Park Project. An additional \$ 100,000 was later committed as well.

Below is a summary of committed amounts, current and prior year committed earnings, current and prior year expenditures, and ending committed balances.

	<u>General Fund</u>	<u>Working Cash Fund</u>	<u>Total</u>
Board committed amounts	\$ 1,688,109	300,000	1,988,109
Prior earnings	71,732	60,357	132,089
Current period earnings	23,843	18,214	42,057
Current period expenditures	(36,060)		(36,060)
Committed balances, December 31, 2024	<u>\$ 1,747,624</u>	<u>378,571</u>	<u>2,126,195</u>

**Note 11 - Other Post-Employment Benefits Plan**

The City has an ordinance under which it covers post-employment insurance continuation benefits for those who qualify. If a full-time employee retires with at least 15 years of IMRF qualified service with the City, and such retired employee immediately receives his or her IMRF pension, then the City will pay on behalf of such retired employee the full expense of employee-only continued health insurance for the lesser of the period of five years, or until such retired employee reaches the age of Medicare eligibility. Total premiums paid for qualifying retirees (4) for the year ended December 31, 2024 were \$ 34,452, all of which were paid by the City.

The City is also paying health insurance benefits for a former police officer injured in the line of duty as required by Illinois Statute 820 ILCS 320/10. Under this statute, the City is required to pay health insurance premiums for the former officer and his spouse for the remainder of their lives (with benefits from any other source reducing the benefit). Total premiums paid for the year ended December 31, 2024 were \$ 26,700.

**CITY OF MONTICELLO, ILLINOIS**
