Absent: Kevin Hiller

Appointment, employment, compensation, discipline, performance or dismissal of specific employees 5 ILCS 120/2 (c) (1)

Mayor Corrie started the Closed Session reminding the Council that no action can be taken from this meeting, discussion and information only.

Supt. Alsop gave the Council an update on the litigation on the Vine Street address. The letter was sent and the home owner did not comply to the terms. Next step is to go to judge and enforce fines. The Council stated that there may be other homes in Monticello that have many building violations, but don't have neighbors asking the Council to correct it.

Supt. Alsop informed the Council that Marty Rennels has submitted her resignation and will retire June 1, 2013. They will be looking for a replacement for this position. Some of the strong requirements needed for this position are general ledger expertise, and insurance knowledge. Jill was being groomed to replace Marty but will not be able to fulfill that position due to personal restraints.

Supt. Alsop addressed the Council on an issue pertaining to his position. He wanted to know if he and the Council were still on the same page as far as his position and the way he does his job. Every Council member present was very satisfied with Supt. Alsop's job performance and all that he has accomplished.

Respectfully Submitted,

*Pamela Harlan*
