

Monticello Special City Council Meeting – Closed Session

January 25, 2016

ROLL CALL: Present: Wendall Brock, Larry Stoner, Joe Brown, John Miller, Cochran Keating, Lyle Murdock, Tom Reed, Seth Melton, Tim Hayes
Also present: Maura Metcalf, Derke Price

Mayor Stoner wanted to discuss what the council would like to do with Supt. Allsop leaving in a few weeks. He wanted to get feedback from council on the possibility of asking him to stay on and help train the new City Administrator. The general consensus of the council was to find another alternative. They felt it would be unfair to ask Floyd to stay. Jim Grabarczyk and Terry Summers were mentioned as possibilities. The council agreed it was best not to offer the interim position to them, as they both applied and were not being considered for the position. Mr. Price indicated there were a few options they council could take: work with the IML to locate an Interim Superintendent, or if there was a previous council person that might be interested. The Alderman suggested Mayor Stoner look into the IML opportunities.

A motion was made by Alderman Hayes and seconded by Alderman Miller to end closed session.

A motion was made by Alderman Hayes and seconded by Alderman Reed to adjourn the meeting at 8:30 p.m.

Respectfully Submitted by,

Maura Metcalf
Deputy City Clerk
