Closed Session Meeting 5 ILCS 120/1 (c) Personnel Issues

Mayor Corrie started the Closed Session reminding the Council that no action can be taken from this meeting, discussion and information only. Mayor Corrie gave Alderman Brown the floor. Alderman Brown had several concerns about Supt Allsop and his dealings with the IEPA situation in August 2014. Mayor Corrie stated to Alderman Brown that Allsop deals with the IEPA daily, so why not trust him to handle things. Alderman Brown also had concerns about the Oct 14, 2014 and Oct 24, 2014 responses back to the IEPA. He also stated that the council should know of potential law suits. Brown also wants to know the 30%/60%/90% construction cost of the WWTP. Brown also feels that the council should be involved with the day to day running of the city. At this point the other councils members had some input. Alderman Keating wanted to know why "I" am still here this late? Keating informed Alderman Brown he tried to respect him but as of now he does not. Alderman Miller asked Alderman Brown why he was so insatisfied? Alderman Miller made note that Alderman Brown is too involved with some citizens that are never satisfied with anything Supt. Allsop does. Miller made the comment of Brown "if you fart they burp". Miller asked Alderman Brown why does he carry such malicious intent toward Supt. Allsop? Alderman Brown stated the malfeasance is Supt. Allsop.

Allsop asked the council if anyone needs him to adjust anything with him or his office. Alderman Keating did ask that if there are data request to please obtain the information quickly so that the flow of information can be positive.

Respectfully Submitted,

Pamela Harlan – City Clerk
