Mayor Stoner started the Closed Session reminding the Council that no action can be taken from this meeting, discussion and information only.

The first item on the agenda was Appointment, Employment, Compensation, Discipline, Performance, or Dismissal of Specific Employee

City Administrator, Bob Mahrt and Jim Grabarczyk gave the overview of this item. Jim stated that the current meter leader is leaving to become a police officer. The meter reader position pay is \$12.00 an hour. Jim would like to see this position receive \$17.00 an hour. This could then be the base start for water works department. The council was polled for their opinion. The council did not have any negative feedback on this subject.

The second item on the agenda was review of Closed Session Minutes. Review of the minutes of closed session that have not yet been released for public review, and determination of which minutes, if any, may be released. The council went through the list and will release January 25, 2016 and February 8, 2016 in open session.

Respectfully Submitted,
Pamela Harlan – City Clerk
